C-Bond Systems' Patriot Glass Solutions Division Receives Purchase Orders to Install C-Bond Secure at Three Federal Government Locations Totaling More than $100,000

Locations include a U.S. Air Force Base, a U.S. District Court, and a Veteran's Administration location in Texas

HOUSTON, June 01, 2022 (GLOBE NEWSWIRE) -- C-Bond Systems (the "Company" or "C-Bond") (OTC: CBNT), a nanotechnology solutions company, today announced that its Patriot Glass Solutions division has received purchase orders to install C-Bond Secure at three separate federal government facilities including a U.S. Air Force Base, a U.S. District Court, and a Veteran's Administration location in Texas. The total amount of the three purchase orders exceeds $100,000.

C-Bond Secure is a liquid glass strengthening primer and mounting solution used in conjunction with window film on architectural glass that deters forced entry. It was developed in partnership with one of the industry's largest film suppliers to increase glass strength and glass flexibility. C-Bond's proprietary nanotechnology reinforces the underlying glass to increase its structural integrity. The product is compatible with any film manufacturer's products in all film market segments including solar, safety, decorative, automotive, and marine.

"Securing a facility and, more importantly, those inside is becoming imperative in today's society," said Michael Wanke, President of Patriot Glass. "Our best-in-class window film solutions deter forced entry and provide ballistic-resistant protection to help save assets and save lives."

Patriot Glass Solutions other core product isC-Bond BRS, a ballistic-resistant film system that includes C-Bond's patented glass strengthening technology and security film. C-Bond BRS is validated by an independent third-party laboratory to provide National Institute of Justice (NIJ) Level I, Level IIA, Level II, and Underwriters Laboratories (UL) 752 ballistic-resistant protection.
